NEW DELUXE HI TIME CLOCK

Imagine! Time "tip-toeing" across the ceiling over your bed. You won't have to rouse yourself into wakefulness merely to check on the nightly hour just glance at the ceiling and there

it is forcected by an invisible beam in large clear immerals 3" in size so you won't need your glasses (when clock is placed 62" from ceiling) A warm Walnut wood and gleaming Brass finish.

1973-1974 CLASSIFIED BUYERS' GUIDE

On the following pages you will find the businesses who have helped make this DIRECTORY possible. These advertisers appreciate the business that is generated by the students, faculty and staff, and the DIRECTORY would like to encourage these students, faculty and staff members to patronize the firms listed in this "Classified Buyers' Guide." A special effort has been made to include a wide variety of merchants who provide products and services in the area of the University Community. Shown here is a copy of the new "Classified Buyers' Guide Sticker" that is made available to merchants who are included in the "Classified Buyers' Guide." Look for it when you shop and patronize a business that supports the University students and their projects and sincerely appreciates any business it receives in return.
